CAMPTON'S VERY OWN 49ER — HAROLD EDGELL

He was connected in some way with the removal of snow from Campton's town roads for 49 years — not always the guy who answered the telephone and said "the plow is on its way", but he has been that guy since 1943.

At the first of it
he "maneuvered" this

and drove one of these until 1973.

With or without a plow he'll never stop "peeking" out a window on a snowy evening to see how much snow has fallen. 'Tis a good job done!!

TOWN EXPRESSES APPRECIATION

We feel that we owe Harold Edgell a real vote of appreciation for 49 years of snow removal from the roads in Campton.

Harold came to Campton in 1923 and went to work for Melvin Hibbard as a driver and mechanic at Hibbard's Garage, now Edgell's Garage.

In 1927 the Town, after several years of discussion, finally voted to buy one Caterpillar tractor to plow some 30 miles of roads. There were then two road agents Calvin Russell on the East side of the river and Lester E. Mitchell, Sr. on the West side and each would have liked a tractor but the final vote was to buy one and to leave the snow removal problems to the Selectmen which has continued ever since.

It was apparently a great day in the winter of 1926 when the Town of Plymouth tractor plowed once to the Thornton Town line. Calvin Russell and Benjamin Moulton, for a few years prior to 1927, had plowed what is now Route 175 and some of the back roads with horses and a planked V-plow, but there was always six inches to a foot of snow left because automobiles were scarce in those days and most cars were put up on "blocks" in the garage for the winter. The roads had to be left for good sledding and sleighing.

In 1927 and 1928 Harold used the Town's tractor to plow and wing Rte. 3 and the present Rte. 175 within the town limits, which would take several days. He and other drivers like Fred K. Plaisted, Hollis Downing, Frank Plummer and Lloyd Avery would then do the back roads in town which would take up to a week to clear. They usually waited until the storm was over before starting.

In these days of high speed snow removal with trucks, one must remember that 50 years ago if the roads were closed for a week you went with a horse or stayed home. - Times have changed. -

Up to this time most of the back roads were broken by one or two farmers who lived on the road of various sections of town, who used a sled with horses or more often oxen with a block of wood under one or both runners which would make a track and that's all. When spring came with warm days and soft snow, the horses and oxen could not stay on the top, the men of the neighborhood took their hand shovels to make a passable road or an abutting land owner allowed the use of his fields.

These tractor drivers were a unique and hardy breed, particularly those "strickers" who rode the wings. This early tractor and snow plow had wings that had to be raised and lowered with chain falls and had to be done by a person riding on the wing brace itself. Needless to say, a little hard cider was pretty helpful on a cold day and night.

Melvin and Harold kept the Town tractor for some number of years gradually changing over to 2-wheel drive trucks. One winter Harold

used one truck to push the other up some of Campton's steep hills. It was a great day for Harold and his helpers when, in 1945, he acquired a 4-wheel drive army surplus truck, then one 4-wheel drive pickup, which with trucks, graders and bucket loaders keep our roads open all winter and bare most of the time.

Those who have lived on the back roads for the past 50 years and more have seen remarkable changes in snow removal from the ox sled with its block to 4-wheel drive pickups and bucket loaders. We certainly owe a debt of gratitude and respect to Town officials, voters and to those rugged individuals like Hibbard.

To Harold Edgell who has served the Town for a full 49 years and to whom snow removal has been a way of life, the townspeople salute him for a job well done. Only those who have spent long days and longer nights plowing snow can realize the beauty and pleasure in seeing snow rolling off the end of a plow blade, or the cold and aggravation of breakdowns and being stuck in snowdrifts or ditches.

EARLY HISTORY OF CAMPTON, NEW HAMPSHIRE AND SOME HIGHLIGHTS OF THE FIRST SETTLERS

History says New Hampshire was settled in 1623 under the authority of an English land grant.

New Hampshire was the first of the 13 original states to declare her independence in 1776, six months earlier than the federal declaration of independence, and the first to adopt her own Constitution.

Township of Campton was originally granted to Jabez Spencer in 1761. He died before full settlement could be effected and this title became invalid. The Town was then granted to Spencer and other families on January 5, 1767.

History states that the earliest settlers followed the Merrimack River north, arriving at the junction of the Pemigewasset and Baker rivers. They found a village of Indians living on the point. They proved to be a friendly tribe.

Some of the earliest families to settle in Campton were:

- 1762 - Isaac Fox From Hartford, Conn.
- 1762 - Winthrop Fox From Hartford Conn.
- 1763 - Isaac Fox, Jr. From Hartford Conn.
- 1763 - Enoch Taylor
- 1764 - Hobart Spencer
- 1768 - Abel Willey
- 1769 - Darius Willey
- Moses Little - Old Newburyport, Mass.
- Samuel Fuller
- David Wyatt
- Daniel Perkins
- Joseph Pulsifer
- Joseph Spencer
- Harrison Harris
- Samuel Emerson, Jr.

The first meeting for the Town of Campton was legally assembled at the house of Col. Joseph Spencer on October 4, 1769 agreeable to the notification from under the hand of Hunking Wentworth, Esquire, Justice of Peace for the Province of New Hampshire and so posted in advance for three weeks in the New Hampshire Gazette at Portsmouth, N.H.

It was voted as follows:

Harrison Harris - Proprietor's Clerk

Samuel Emerson, Jr. - Moderator

Next meeting was held on November 16, 1769 at the home of David Perkins.

Voted as follows:

Proprietors) Darius Willey

or) William Hobart

Selectmen) Samuel Emerson

Collector - Samuel Fuller

Clerk - Chiliab Brainerd

Voted to raise 3 pounds of lawful money, on each original right to help defray the town's expense.

The Proprietors met and voted His Excellency Hunkins Wentworth 500 acres of land, as soon as the lines between Campton, Plymouth and Rumney are settled.

The next meeting was held on May 7, 1770 at the home of Col. Joseph Spencer. No record of any action taken. In the original records, many meetings were held with no record of any action.

On May 14, 1770 the meeting was held at the home of Col. Joseph Spencer and voted as follows:

Clerk - Samuel Emerson

Moderator - Benjamin Hickox

The committee agreed all lots to be laid out in 100 acre lots. They used to measure by a chain. The chain was 16-1/2 feet long, or a rod. The Pemigewasset River was the dividing line. Most lots read from a certain tree to a certain rock or a spot on the river.

Moses Little was chosen agent to procure a quick claim deed from or under the heirs of John Fufton, Esq. for the Proprietor of Campton, N.H. on as reasonable term as may be.

Voted Samuel Emerson Jr. be allowed to pitch a house in the third division, West side of the river, also allow Joseph Spencer a lot on the East side of the river. Jacob Menel Jr. be allowed a lot in the third division, next to Blanchard Line, in so-called common land, with the usual allowance for roads.

Voted a lot to Moses Little and heirs in consideration for the expense in building a saw mill in said Town of Campton.

The May 21, 1770 meeting was held at David Perkins. Voted that whereas Mr. Isaac Fox claims 150 acres of land on the original right of Uriel Holms and a 100 acre lot in the first division. It was agreed that said Isaac Fox should have liberty to remainder which is 50 acres in third division.

Voted, that Samuel Fuller is replaced by Abel Willey as Collector.

Voted, that Moses Little, Hobart Spencer and Samuel Emerson be chosen to greet Dr. Wheelock, who was looking for land to build Dartmouth College.

On May 4, 1771 the following town officials were voted in :

Proprietors - William Hobart
 Darius Willey
 Samuel Emerson
Moderator - Hobart Spencer
Surveyor - Jonathan Cummings

Hobart Spencer was selected to go to Portsmouth to see Dr. Wheelock about Dartmouth College. Four pounds was voted for traveling expense.

Voted to defend the inhabitants of Division Three from paying taxes to Town of Plymouth.

Voted that the persons that have not pitched their homes in first and second divisions have the liberty to start.

Voted to lay out lots in Third Division.

On December 16, 1771 the first meeting of the inhabitants was held. No record of any action taken. All previous meetings were attended by town officials only.

In 1772 the following town officials were chosen:

Moderator - Moses Little
Town Clerk - Col. Joseph Spencer
Proprietor - Capt. Gershom Burbank
 or James Harvel
Selectmen Ebenezer Taylor
 Benjamin Hickox
Constable - Jonathan Cole

Tithingmen to - Samuel Cook
collect 10% of Samuel Fuller
annual produce
for tax purposes.
Fence Viewers - Nathaniel Tupper
Joseph Pulsifer.
Sealers of Leather - David Perkins
Darius Willey
Surveyors of Highway - William Hobart
Asa Spencer

By order of the Proprietors or Selectmen, I do hereby notify and warn the freeholders and other inhabitants of the Town of Campton, to meet at Joseph Spencer's on March 16, 1773, to see if the town has any money to prepare the highways and to see if the town could raise any money for schooling, also to purchase a book to keep the town records in.

On March 16, 1773, town officers were voted in as follows :

Moderator - Benjamin Hickox
Town Clerk - Joseph Spencer
Proprietors - Ebenezer Taylor
or Gershom Burbank
Selectmen Isaac Brainerd
Constable - Samuel Holmes
Sealer of Leather - David Perkins
Surveyors of Highway - Darius Willey
Nathaniel Tupper
Ebenezer Taylor

Surveyors of Lumber - Joseph Pulsifer
Joseph Palmer
Surveyor of Brick - Nathaniel Tupper
Hog Riefs - Jonah Chapman
Ebenezer Fowler
Deer Keepers - Samuel Cook
Samuel Fuller
Fence Viewers - Joseph Palmer
William Hobart
Town Treasury - Joseph Spencer

Voted to raise 18 pounds to lay out the Hollow and mend highways.

On May 26, 1774 the Town Officers were:

Moderator - Capt. Benjamin Hickox
Town Clerk - Joseph Spencer

Proprietors - Grefen Burbank
or Ebenezer Taylor
Selectmen Benjamin Hickox

It was decided that the town could not afford a Minister, so the committee decided to have each property owner put 4 pounds on each lot, payable on a six year period and to be collected by the Town Clerk

It was voted to grant 50 pounds a year for a preacher.

On July, 16, 1774, the Proprietors laid out land for Moses Little and Ebenezer Little, 100 acres for each on left side of the river.

In 1774 these families were living in Campton (25): Little, Pulsifer, Merrill, Hoit, Hobart, Greenleaf, Morrison, Lunt, Wheeler, Page Beckwith, Holms, Fuller, Brainerd, Taylor, Willey, Spencer, Southmayd, Pierce, Atkinson, March, Webster, Griffin, Coffee, Seldon.

There are four (4) direct descendents from the above list that are living in Campton today: Bertram Pulsifer, Blanche "Webster" Kezer, Ralph Webster, Leslie "Bill" Merrill.

On December 5, 1774 it was noted to raise 97 pounds and 8 shillings to provide arms and ammunition.

Charles Cheney was to collect the money and purchase same.

The next Town Meeting was called on May 3, 1775 and the following officers were selected:

Moderator - Nathan Cone
Town Clerk - Joseph Spencer
Selectmen - Thomas Bartlett
Samuel Holmes
Nathaniel Tupper

The Selectmen were to meet with Plymouth to go over town lines.

In 1775 there were ten (10) soldiers from Campton that had volunteered for the Revolutionary War. Among them were the following: John Cannon, John Mayby, Jeremiah Archibald, Silas Fox, Uriah Fox, Asa Spencer, Ed Taylor. Five (5) volunteers never returned. The Town furnished the arms and ammunition.

On September 30, 1775 the inhabitants of Campton met to select and establish a place for a meeting house for public worship, allowing all inhabitants of the West side of the river, when they prove themselves, into such a parish, with all the money to support the gospel.

In November 1775 a meeting was held to see what money the town would raise to defray charges on highways and to choose a committee of safety.

Men working on the highway were paid three (3) shillings per day.

March 19, 1776 a meeting was called to select town officers who were as follows:

Selectmen - Samuel Cook
 Chiliab Brainerd
 Nathaniel Cone
Moderator - Benjamin Hickox
Town Clerk - Daniel Wyatt
Constable - Joseph Pulsifer
Sealer of Weights & Measures - Ebenezer Fowler
Surveyors of Land - Jonathan Cummings
 Hobart Spencer

A meeting was held on July 25, 1776 at Isaac Fox's. It was voted to raise 97 pounds, 8 shillings and seven pence, including the notes given by several inhabitants for guns and ammunition. Charles Cheney was to take the money and purchase same.

On November 2, 1776 it was voted to raise 75 pounds and five shillings to pay part of settlement due. Rev. McSelden was voted as minister.

On June 14, 1777 the Continental Congress resolved that the flag contain alternate stripes of red and white, and that the union be represented by thirteen stars in a blue field. The red represents the blood that was shed for our Country; the blue and the stars, the protection sought from the heavens; and the white, the everlasting hope for peace.

Our forefathers, the original white settlers of this area, proved to be a hardy soul, determined to have new and free life in this virgin country. They were making a bare existence from the soil and woods, living in huts and lean-to's until a house could be built.

Records show men worked clearing fields by day, then on the full of the moon would build stone walls with help of oxen and crowbars.

Campton was annexed to Grafton County September 14, 1782.

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Campton in the County of Grafton in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town House in said Campton on Tuesday, the eighth day of March, next, at two of the clock in the afternoon to act on the following subjects:

Art. 1. To choose all necessary Town Officers for the ensuing year.

Art. 2. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.

Art. 3. To see how much money the Town will vote to raise and appropriate for maintenance of its highways and bridges.

Art. 4. To see if the Town will vote to authorize the Selectmen to hire money in anticipation of taxes.

Art. 5. To see if the Town will vote to raise and appropriate the sum of \$100.00 for Memorial Day.

Art. 6. To see if the Town will vote to raise and appropriate the sum of \$100.00 for the White Mountain Region Association.

Art. 7. To see if the Town will vote to raise and appropriate the sum of \$5,500.00 or any lesser sum for the maintenance of Blair and other cemeteries in Town.

Art. 8. To see if the Town will vote to raise and appropriate the sum of \$1,640.00 to reimburse the Campton Village Precinct for hydrant rental.

Art. 9. To see if the Town will vote to raise and appropriate the sum of \$2,400.00 for the Pemi-Baker Home Health Agency, Inc.

Art. 10 To see if the Town will vote to authorize the Selectmen to enter into an ambulance service agreement with the Town of Plymouth for the ensuing year and raise and appropriate the sum of \$2,796.00 for same.

Art. 11. To see if the Town will vote to continue its membership in the North Country Council.

Art. 12. To see if the Town will vote to raise and appropriate the sum of \$1,304.00 or any lesser sum for the North Country Council.

Art. 13. To see if the Town will vote to raise and appropriate the sum of \$150.00 for the N.H. Humane Society.

Art. 14. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 to help support the Campton, Thornton, Waterville Valley Chamber of Commerce. (By Petition)

Art. 15. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 for 1977 to apply toward the tax map contract.

Art. 16. To see if the Town will vote to raise and appropriate the sum of \$10,400.00 for the support and maintenance of its Fire Department.

Art. 17. To see if the Town will vote to raise \$2,500.00 to set aside for equipment for future use of the Town.

Art. 18. To see if the Town will vote to authorize the Selectmen to apply for, formally accept and expend any grants that may be awarded to the Town by State or Federal Funds.

Art. 19. To see if the Town will vote to raise and appropriate the sum of \$20,000 toward future solid waste disposal needs of the Town of Campton either individually or in agreement with other towns.

Art. 20. To see if the Town will vote to have all town clerk fees revert to the Town as long as the positions of Secretary to the Selectmen and Town Clerk are one and the same person.

Art. 21. To see if the Town will vote to elect the Town Clerk for 3 year terms.

Art. 22. To see if the Town will vote to exempt itself if House Bill No. 94 passes the Legislature with regard to town clerks registering voters.

Art. 23. To see if the Town will vote to authorize the Selectmen to appoint the Road Agent.

Art. 24. To see if the Town will vote to make the Road Agent responsible for Town Roads summer and winter including snowplowing.

Art. 25. To see if the Town will vote to accept the reports of agents and officers heretofore chosen.

Art. 26. To transact any other business that may legally come before said meeting.

Given under our hands and seal this seventh day of February in the year of our Lord nineteen hundred and seventy seven.

Precinct Tax Rate	.28 per \$100 Valuation

SELECTMEN'S REPORT

1976 was the Bicentennial year for our country but it was the 208th for Campton. We joined in the July 4th celebration with bell ringing and a meeting at the Baptist Church with the reading of the Declaration of Independence plus the dedication of the new Town Office Building with a main street Parade, which was a credit to all.

This was the first full year of operation of our Town Office with Mrs. Olive McBride as Selectmen's Secretary and as Deputy Town Clerk. We feel it has been a great assistance to the residents of the Town and has been a tremendous help to the Selectmen and all other Town officers. A vote of thanks from all.

The new fire truck finally arrived and was officially accepted, after proper tests, by the fire wards of our two town fire departments. It has proven its worth on several occasions and with our membership in Twin Rivers Mutual Aid Association and mutual assistance agreement with the Waterville Valley Fire Department, we feel that Campton and Thornton have a very good operating fire department. The fire at Tripplewood which had the potential of destroying much valuable property was contained to one building. Our sincere thanks to the hard working firemen and fire wards.

At a special Town Meeting held on November 2, 1976, the Selectmen were authorized to have plans drawn for a fire station to be located on Town owned land on Route 49 - across the road from Scandinavi Inn - and to apply for Federal funds to build it. Plans and necessary government paper work were processed and filed well within the deadline but Campton came out 52nd of 68 applications from N.H. filed, but at least we tried.

We would like, at this time, to publicly thank Campton Sand and Gravel for the donation of .2 acres of land to the Town adjoining our .8 acres on Route 49 so that we would have the one acre needed for the fire station location mentioned above.

We have paid tribute elsewhere in this report to Harold Edgell who has had an active part in snow removal in town for 49 years.

We, after publicly advertising for bids for snow removal, have awarded seven different contracts on different sections of road, with heavy equipment available to wing and widen roads when necessary. So far the arrangement seems to be working well. The cost is

dependent entirely on the weather, so we cannot tell if it will be more or less expensive. However, we feel this system should be tried for several years.

Blair Bridge is being repaired by Milton Graton Associates starting in January of 1977. This has been dragging for several years because of state regulations and paperwork. The money was raised several years ago but the Town's share will probably be several thousand dollars more than the original estimate. We are very glad to have the repair work started and hopefully completed at an early date. This makes the third covered bridge in Campton to be built or repaired by Milton Graton.

There have been several public hearings, plus a committee consisting of all the different interested groups, on the Waterville Valley Unit of the White Mountain National Forest. Philip Look has represented the Board of Selectmen and the Town at these group meetings which will make recommendations for the use of Federal Forest Lands.

This group plus many individuals in Campton, as well as residents of neighboring towns, have urged the dredging of Campton Pond for improved swimming and the repair of the dam. We certainly hope the Forest Service will work toward keeping and improving this natural beauty spot that means so much to so many.

We would hope that Moody Dole's plans for the "old mill" can become a reality. It's an old land mark and when completed we are sure it will bring many people to Campton.

Campton has its problems but in relation to other towns, we feel things get taken care of with a minimum of delay.

John H. Miller
Philip W. Look
Bertram W. Pulsifer
BOARD OF SELECTMEN

SELECTMEN IN ACCOUNT WITH THE TOWN OF CAMPTON RECEIPTS FOR 1976 -----

CAMPTON GRANGE TOWN LIBRARY

During this year of our country's Bicentennial we had a small display of books depicting the history of our country and its people. For the July celebration we added old pictures (one being a scene of the gathering outside the Town House in 1867) old books, letters, and documents. One of the books we assume may have come from an early library collection started by Rev. Selden Church in 1790. The book, "A Select Copy of Letters of the late Reverend Whitefield" was published in London in 1772. On the inside front cover is written "The Campton Library - Time for reading 60 days."

Another book on display was published in 1851 and presented to the Congregational Parish Library, by Rev. Isaac Willey. Incidentally much of the information gathered in writing the history of the Campton Libraries in 1967 came from "Families Memorial" which Isaac Willey wrote to honor his parents in the year 1868.

Two picture albums of the 1967 Bicentennial events and also interesting pictures of old homesteads and businesses in Campton past and present have been presented to the Library by the Historical Committee.

A framed copy of the Governor's proclamation for our 1967 Bicentennial was presented to the Library by Sterle Cheney.

Contributions in memory of Louise E. Shearer were given and have been added to the Lester E. Mitchell, Sr. fund.

We again thank all those who have given books. They are a great help to our budget and are enjoyed by our readers.

The Library is for everyone to use and enjoy. Please come the first and third Saturday afternoons. We are open from two until four thirty.

The following books are a few that have been added this year:

Foxfire Books -- 3 volumes
To Jerusalem and Back -- Bellow
Book of Days -- Borland
Airborne -- Buckley
Ceremony of the Innocent -- Caldwell
A God Against the Gods -- Drury
Liberty Tavern -- Fleming
Kissinger -- Kalb

Better Than Oceans -- Kimbrough
 Up-Country Line -- B.C. & M. RR -- Mead
 Reflections from the North Country -- Olson
 20th Century Journey -- Shirer
 Seasons of America -- Sloane
 Good Evening, Everybody -- Thomas

PLANNING BOARD REPORT

During the past year, the Board approved sixteen applications for subdivision. Many of these were small divisions, creating two lots where only one had existed before, but some were of a larger nature. In viewing some of the problems that have evolved, through the year, the Board feels that the time has come to amend the existing regulations, both for the purposes of simple clarification of existing regulations and to develop a few new ordinances which will help solve some of the problems that accompany the growth of any community. Any such amendments to the existing regulations would, naturally, require the proper public hearings. Hopefully, this action will take place during the present year.

In the past, it has not always been easy to gather a majority of the Board together for the regular meetings. To end the problem, the Selectmen have appointed alternates to the Board. Their names are indicated below.

Meetings of the Board continue to be held at the Town Hall, at 7:30 P.M., on the second Tuesday of each month unless a change of date is published.

Respectfully submitted,
Clifton Savage, Chairman
Clifford Eastman, Jr.,
Ass't. Chairman
Giles Low, II, Secretary-Treasurer
John H. Miller, Member Ex-Officio
Clarence Pulsifer
John Mayhew
Robert Whitehouse

Robert Allen, Alternate
Gifford Nutbrown, Alternate

**PLANNING MAPS, INC.
REPORTS ON TOWN MAP PROGRESS**

Since signing of the Tax Mapping contract in April 1975, we have been endeavoring to gather data on each land owner's parcel. We are certainly pleased about the detail and comments which we have received from many owners in Campton. Although many deeds contain little in the way of description, sketches by the owner, lists of abutters, and information about surveys all help to further define each piece of land, and can only improve the final map products. We wish to thank those who have already aided us in data gathering.

It is our hope that those property owners who have not sent any information as yet will find the time to do so. We are especially interested in the owners' personal comments and any clues which can be offered concerning property in Campton. Questionnaires will be available at town meeting or at the town office.

All the information which we gather will be delivered to the town office in legal size file folders in a steel filing cabinet.

Aerial photography has been ordered and we are now working on the page pattern for the town of Campton. We have recently purchased a mass memory for our computer which enables us to speed up the process of data gathering and maintain current changes. We have increased the number of employees in our company to eleven.

Again, we would like to express our appreciation to the property owners in Campton.

W.E. Kelsey, President
Planning Maps, Inc.
Newport, New Hampshire

TOWN OF CAMPTON, N.H.
BOARD OF ADJUSTMENT REPORT FOR 1976

There was not much demand for the services of this Board during the past year, so its report is minimal. Just one hearing was held to act on two requests for relief and these both involved side lot set-back.

STATEMENT OF ACCOUNT

Balance on hand, December 31, 1975	\$10.12
Income from filing fees	10.00

	\$20.12
Interest received PGS	.62

Balance on hand December 31, 1976	\$20.74

Respectfully,
Jane Stohn, Sec'y, Treas.
Allen Tailby, Chairman
Russell Palmer
James Madison
John Danisch

**REPORT FROM
PEMI-BAKER HOME HEALTH AGENCY, INC.**

There was a total of 284 visits to Campton during the past year. This figure includes visits for nursing care, homemaker service and visits by the home health aide. The Agency staff made an overall total of 4,404 visits to all towns in its service area.

The swine flu clinic sponsored by the Agency on November 2nd was attended by 2,884 people at a cost of \$1200.00. Many persons donated their services and time to make it a success.

Free blood pressure clinics are now available for each town on request. There is also an automatic new baby visit upon receipt of birth notice to all new mothers, and to other mothers who are having health difficulties, or other problems.

The Agency has been working in close association with the Sceva Speare Memorial Hospital Discharge Coordinator to better serve the towns by obtaining referrals from them to give continuity of care to patients.

The part-time RN is now working twenty hours a week more than in 1975 for a total of 26 hours. This gives the Agency 106 hours weekly for available nursing care.

Jane Stohn
Town Representative

NORTH COUNTRY COUNCIL, INC.

The Council provided technical assistance with the town's \$260,000 application for a new Fire Station under the Local Public Works Act, and information on solid waste and flood insurance.

The Council assisted the NH Public Utilities Commission in preparing an application for Economic Development Administration funds which are being used to improve the Concord-to-Lincoln rail line.

On a regional level, North Country Council, Inc. completed the Overall Economic Development Program, a blueprint for increasing the region's economic potential. The Council assisted several communities in making progress with the development of their Industrial Parks, projects which will benefit residents of adjacent communities. With the passage of the Local Public Works Act of 1976, the Council provided some form of technical assistance to 25 potential grant applicants. A wood utilization project is investigating how forest products, the region's most important natural resource, can be used more advantageously to the region's benefit. Word was received in late 1976 that the Federal Highway Administration approved the Public Transportation Demonstration project.

On a community planning level, in addition to local technical services, the Council prepared a report entitled "Model Subdivision Regulations" as a guide for local planning boards. A series of four lectures on planning board activities was sponsored in the spring; the Council co-sponsored a series of five municipal law lectures in September and October. Both were well attended. "Guidelines for Municipal Tax Mapping" provides communities with information on what to look for when preparing a tax map.

Planning News, the Council's quarterly newsletter, disseminates useful information on community planning, economic development, state legislation, court decisions, and general activities to interested persons in town. A town resident can be placed on the mailing list by contacting the town's NCC representative or the Council office in Franconia, N.H., at 823-8108.

In helping communities with their planning, the Council attends approximately 200 night meetings a year.

In 1977, the Council will continue to provide community planning services to member municipalities. The Council will complete work on a Land Use Program and Housing Program in 1977. Efforts to help communities with economic development will continue. The Council's Economic Development Committee will be investigating the probable impact of the lessening of energy supplies for the North Country and how the Council can assist through the community and regional planning process.

The Council sincerely appreciates and thanks the town for its support and participation. The support and participation of the town has enabled the Council to provide an impressive package of local and regional services.

Respectfully submitted,
John Miller
Philip W. Look
NCC Representatives

CAMPTON—THORNTON FIRE DEPARTMENT

This is the annual report to the people of Campton and Thornton. Our report on income and expenses is found in this town report.

Your fire department has gone through another year under trying times. Yes, we finally received the new truck which has been a big help. It was equipped with an AM radio for the time being. The Turret gun was installed which was purchased by the Women's Auxiliary. The firemen have been very happy with this piece of equipment added to the new truck. The Fire Commissioners and Firemen want to thank the Women's Auxiliary for this piece of equipment and the two air packs.

We have been active in the Twin Rivers Mutual Aid this year. Campton has received much needed help from these member towns and we have answered a number of calls to help in other towns of the members of Twin Rivers.

The towns of Campton, Thornton and Waterville Valley have signed an agreement on fighting fires in each town. We have had a good working agreement for years but the Selectmen felt that a signed agreement would let us all know where we stand.

These Firemen have had another rough year answering all types of calls, some big, some small and some false alarms. Please use the Campton Red network 726-4411 to report fire and not to get information. For information use phone no. 726-3300.

We still need much equipment to get a top quality fire department and hope to secure some each year.

Two main problems before the department now are what to do about the rusted body of the GMC Pumper (see article in warrant) and a firehouse to house all our equipment. We failed to be awarded the grant applied for under the Public Works Act of 1976. There is, also, a need of a fire station location in the West Thornton area. The Commissioners still are looking for a small building to rent, lease or buy to house a couple of trucks in that area.

The Selectmen and Commissioners have agreed to push for this location this year and wait for another year on our main fire station. We are still looking into the federal grant area on the main station even though we lost round one.

Chief David Tobine and the firemen of this department have worked long and hard this year covering all types of calls. The Commissioners hope the towns people will back these men in their needs for the coming years.

John L. Dole
Robert Mardin
Harold Luttmann
William Drake
Kenneth Axon

THE STATE OF NEW HAMPSHIRE

To the inhabitants of Campton Village Precinct, in the Town of Campton, in the County of Grafton, in said State, qualified to vote in precinct affairs:

You are hereby notified to meet at the Pemigewasset National Bank, in said Precinct, on Tuesday the fifteenth of March, 1977, at 8 o'clock in the evening to act on the following articles:

Article 1. To choose a Moderator, one Commissioner for three years, Treasurer, Auditor, Clerk, Collector, and any other officers necessary for the ensuing year.

Article 2. To hear reports of Officers heretofore chosen.

Article 3. To see if the Voters will appropriate the sum of \$420.00 for Officers' salaries.

Article 4. To see what sum the Voters will appropriate for Christmas tree lighting.

Article 5. To see if the Voters will authorize the Commissioners to borrow \$2,000.00 in case of emergency.

Article 6. To see if the Voters will appropriate the sum of \$500.00 for sidewalk improvement.

Article 7. To see if the Voters will appropriate the sum of \$4,300.00 for street lighting.

Article 8. To see if the Voters will authorize the sum of \$250.00 to come from the Water Department Account for the salary of the Collector.

Article 9. To see if the Voters will authorize a street light at the intersection of the Old Depot Road and the New Depot Road (Rte. 49).

Article 10. To see if the Voters have any objections to allowing Waterville Estates, per Map of April 1973, revised March 1974, to form their own precinct. The intent here is that if any of the original Waterville Estates is in the Campton Village Precinct that we allow them to withdraw.

Article 11. To see what sum of money the Voters will authorize the Commissioners to borrow to develop an underground approved water supply.

Article 12. To transact any other business that may legally come before said meeting.

Given under our hands this eighth day of February, 1977.

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the School District in the Town of Campton in the County of Grafton, State of New Hampshire, qualified to vote upon District Affairs:

You are hereby notified to meet at the Campton Elementary School in said District on the 10th day of March, 1977, at 7:30 p.m. to act upon the following subjects:

1. To see what action the District will take relative to the reports of agents, auditors, committees, or officers.

2. To see if the District will vote to establish a contingency fund in accordance with Revised Statutes Annotated 198:4b, such a contingency fund to meet the cost of unanticipated expenses that may arise during the year and, further, to see if the District will appropriate the sum of \$2,000.00 for this purpose.

3. To see if the District will vote to authorize the school board to make application for, accept, and expend on behalf of the School District all gifts, advances, grants-in-aid, or other funds for educational purposes, as may now or hereafter be available or forthcoming from the United States government, the State of New Hampshire, or any other federal, state, or local agency.

4. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries of school district officials, employees and agents, and for the payment of statutory obligations of the District.

5. To transact any other business that may legally come before this meeting.

Given under our hands at said Campton this 23rd day of February 1977.

ANNUAL REPORT OF THE SCHOOL NURSE — 1976-77

The school health program at Campton Elementary School involves many areas of the health of our community's young people.

Each May, pre-school registration is held in order to obtain medical histories and health information of prospective students. Also, these sessions orient parents and pre-schoolers to school policies and kindergarten expectations.

All children in school are screened annually for hearing and vision. Height and weight checks are also completed at this time. Referrals to parents are made if necessary and follow-up checks are made by the nurse.

The fourth grade students are flossing and brushing their teeth daily through a dental program conducted by Mrs. Herberta Stark, New Hampshire State Hygienist and their teacher Ellen Cook.

In the area of health education, the school nurse acts as a resource person to all teachers. Films on various aspects of health have been presented throughout the year. The nurse also makes herself available to specific health teaching to either individual or groups of students.

Each April, a pre-school vision and hearing clinic is held at Plymouth Elementary School for all 4 and 5 year olds. This is sponsored through the combined efforts of the Plymouth Lions Club, the NH department of public health and the school nurses.

Community health is a major concern of the school nurse and it is through your communication as parents and members of the community that I can assess the needs and desires of the Campton people.

I wish to thank the teaching staff, the many physicians, parents and students for their support.

Respectfully submitted,
Martha Aguiar RNMN
Campton School Nurse

PRINCIPAL'S REPORT 1976—77

The doors reopened in September 1976 to a school building ready for use. With all aspects of the construction project successfully completed, everyone—students, teachers, staff and community—has a physical plant to be extremely proud of. In my opinion, the people who were involved with the planning and construction of the new school addition should be complimented for a job well done.

The changes created by the school building addition are now fully implemented. To our knowledge, every youngster eligible for kindergarten is participating even though parents have to provide transportation one-way. The school now has a library in full operation. Students in grades sixth through eighth are assisting with the mechanics of library procedures and all students have received instructions on how to use this resource. I would like to especially thank the library volunteers who last year spent many hours laying the ground work.

Believe it or not! The Industrial Arts instructor has reported that some of his better woodworkers are girls, and the Home Economics teacher has reported that some of her better stitchers are boys. Student interest in school seems to be at an all-time high. Discipline problems have been considerably reduced as a result of the faculty's extra efforts and the curriculum revisions for the sixth, seventh, and eighth grades.

This year, the school and community are working closer together. One example of combining efforts involves the construction of a school bus stop shelter. The S.T.A.F.F. (Student, Teachers, All Families and Friends) purchased the building materials and the eighth grade class is providing the manpower. The shelter will house approximately 20 students and will be located near Mayhew's Trailer Park. The construction of other school bus stop shelters is being planned.

There is one important item which must be brought to the communities attention. The elementary school's enrollment has increased 15% since last year. This increase had to be recognized and did affect the school's budget proposal; however, every attempt was made to minimize the increase.

Hopefully, the school and community can continue working together to provide both a responsive and quality education for all our young people.

Respectfully submitted,
Michael J. Martin
Principal

SUPERINTENDENT'S OFFICE REPORT

I present to the Superintendent of Schools, School Board, and citizens of Campton, New Hampshire, my fourth annual report as Assistant Superintendent for Public School Supervisory Union #48.

The 1975-1976 academic year directed its energies toward preserving and perfecting our current areas of strength while preparing our youth for the confrontations of change in tomorrow's world.

Within the next decade, Americans will be learning a new language in kitchens, factories, and in automobiles. The metric system of weights and measures is being voluntarily adopted in the United States. Few areas of everyday life will remain untouched by conversion. Supervisory Union #48 is a leader in the State of New Hampshire in this movement. Teachers have developed a curriculum guide which documents a scope and a sequence to facilitate this change.

Our efforts at the Campton Elementary School would be in vain if it were not for the creative and enthusiastic contributions of faculty and staff. This administration makes every attempt to employ professionals who are cognizant of the heritage of our geographic region as well as those who can bring dimension to our evolving curriculum. Barbara Guinan (Kindergarten-Plymouth State College), Marjorie Broad (Grade I-Plymouth State College), Phyllis Morse (Grade II-Plymouth State College), Virginia Jensen (Grade III-Washington University), Ellen Cook (Grade IV-Dartmouth College), Weston Noyes (Grade V-Plymouth State College), Sandra Carter (Grades VI-VIII-University of New Hampshire), Frederick Dietz (Grades VI-VIII-Johnson State College), and Jarvis Fish (Grades VI-VIII-Plymouth State College), commendably contribute toward the achievement of this goal.

The future of education in the Campton Elementary School demands that basic skills be defined in terms of a changing world. These skills include reading, writing, mathematics, the arts, and personal discipline based on sound values. The back to basics movement can be a big step forward for education, the nation, and the children whose lives we hold in trust.

Respectfully submitted,
Daniel A. Cabral
Assistant Superintendent

EXPLANATION OF SUPERINTENDENT'S AND ASSISTANT SUPERINTENDENT'S SALARY FOR 1975-1976

Chapter 189, Section 48 Revised Statutes Annotated of the State of New Hampshire, requires that the school district annual report show the total amount paid to the Superintendent of Schools as per the following quotation: "Reports. Each superintendent of a supervisory union shall annually prepare a report of the total salary paid to the superintendent, showing in detail the amount paid by the state and each local school district, and their share of same. Said report shall be filed with the school board of each school district involved and shall be included in the annual report of the respective school district as a separate entry. A like report and entry shall be made for each assistant superintendent, teacher consultant, and business administrator, if any is in service in the union."

One-half of the supervisory union expenses is prorated among the several school districts of the union on the basis of adjusted valuations. One-half is prorated on the basis of average daily membership in the school for the previous school year ending June 30th. The salary of \$20,000 which was received by the Superintendent of Schools of Supervisory Union #48 during 1975-1976 was made up as follows: \$2,500 paid by the State of New Hampshire and \$17,500 was prorated among the school districts comprising the Supervisory Union. Allowance for \$1,000 travel within the Union was also prorated as stated above.

The salary of the Assistant Superintendent during 1975-1976 was made up as follows: \$2,350 paid by the State of New Hampshire and \$14,650 was prorated as stated above. Allowance for \$1,500 travel within the Union was also prorated as stated above.

The table below shows the portion of salary and travel charged to each school district.

District	Adjusted Percent	Supt's. Salary	Supt's. Travel	Asst. Supt's. Salary	Asst. Supt's. Travel
Campton	14.81	\$2,591.75	\$148.10	\$2,169.66	\$222.15
Holderness	14.39	2,518.25	143.90	2,108.13	215.85
Plymouth	38.94	6,814.50	389.40	5,704.71	584.10
Rumney	10.05	1,758.75	100.50	1,472.33	150.75
Thornton	8.82	1,543.50	88.20	1,292.13	132.30
Waterville					
Valley	8.04	1,407.00	80.40	1,177.86	120.60
Wentworth	4.95	866.25	49.50	725.18	74.25
